

Curriculum

Preschool is often the first opportunity for children to bridge the gap between home and the outside world.

Guiding Hands Preschool will prepare your child for Kindergarten!! We have created a loving, safe and nurturing environment where your preschooler will make friends and have fun while they are learning about letters & language, math, music, creative arts and so much more. We offer special events, local field trips, weekly Bible stories and a year-end celebration for the students and their families.

Tuition and Fees

Registration:

- Begins in January for the following school year.
- In order to secure your child's spot, please submit your completed registration form along with your \$150 *non-refundable* September tuition payment.
