

## Curriculum

Preschool is often the first opportunity for children to bridge the gap between home and the outside world.

**Guiding Hands Preschool** will prepare your child for Kindergarten!! We have created a loving, safe and nurturing environment where your preschooler will make friends and have fun while they are learning about letters & language, math, music, creative arts and so much more. We offer special events, local field trips, weekly Bible stories and a year-end celebration for the students and their families.

## Tuition and Fees

### Registration:

- Begins in January for the following school year.
- To secure your child's spot, please submit your completed registration form along with your \$160 *non-refundable* September tuition payment.
